

## Online Resources

- Doodle [www.doddlelearn.co.uk](http://www.doddlelearn.co.uk)  
There is a WEALTH of resources on Doodle. Search for AQA specific English Literature or English Language resources in the resources search bar for revision materials including lessons and quizzes.
- GCSE Pod [www.gcsepod.com](http://www.gcsepod.com)  
This is great for Literature revision on the basics – plot, characters, themes, context etc. The short videos should help students to understand the texts in more detail.
- Seneca [www.senecalearning.com](http://www.senecalearning.com)  
This is a new resource that the school is trialling. It has lots of resources available to students. If interested in using this resource, students should speak directly to their English teacher.
- BBC Bitesize [www.bbc.com/bitesize](http://www.bbc.com/bitesize)  
Select ‘secondary’ and then ‘GCSE England’, followed by either English Language or English Literature. Again good for revising the basics for English Literature.
